

Leah's Adventure

Hands-on Teaching with Tangrams

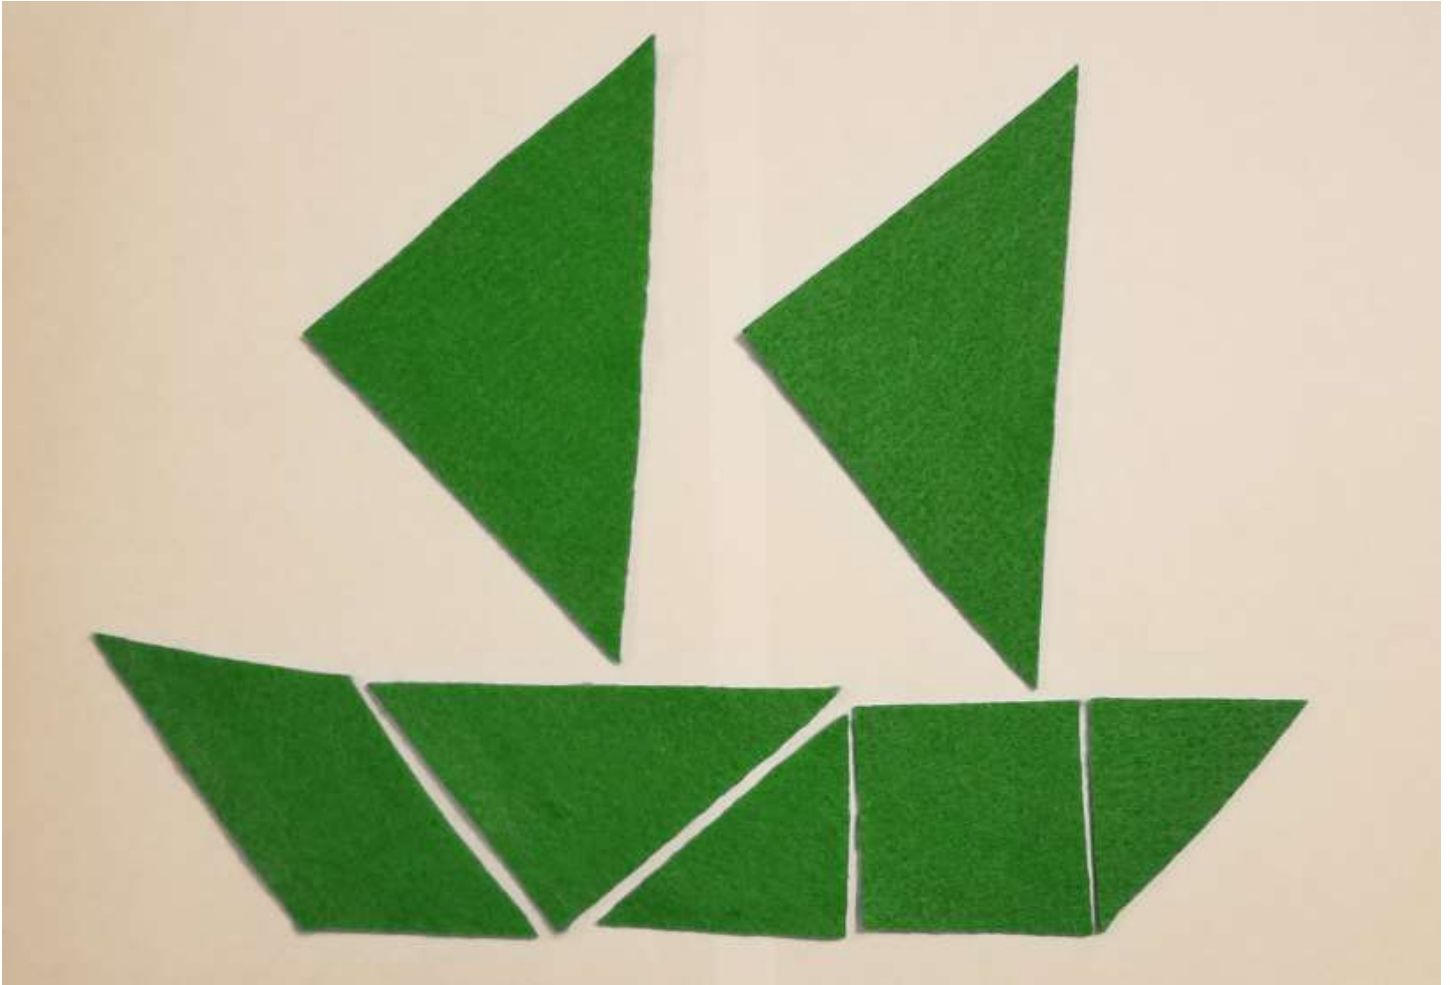

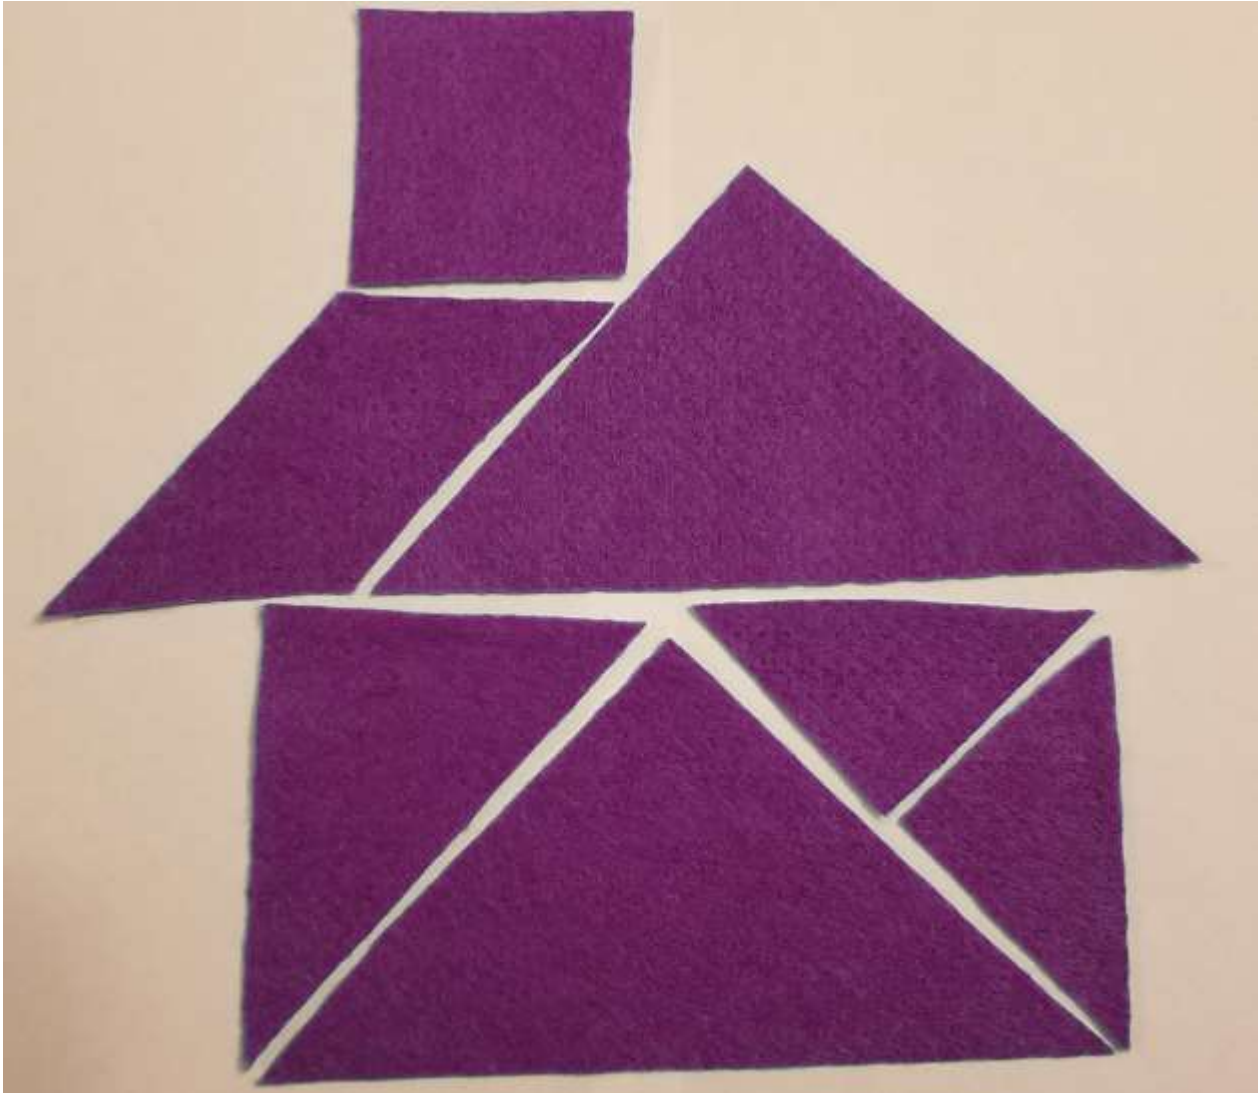

Once upon a time, there was a little girl named Leah. Leah loved to play in forest near her house and go on adventures. One day Leah's mother was preparing a surprise for her and asked her to go outside and play. Happily, she went out and began playing in the **trees** and near the forest.

As the day went on, Leah realised that she had travelled very far from her home and mother. As she looked around, Leah realized that she was lost. Quickly, she searched for clues to find her way home. As she walked, she noticed a few **arrows** drawn in the dirt. With nothing else to guide her, Leah followed the arrows.

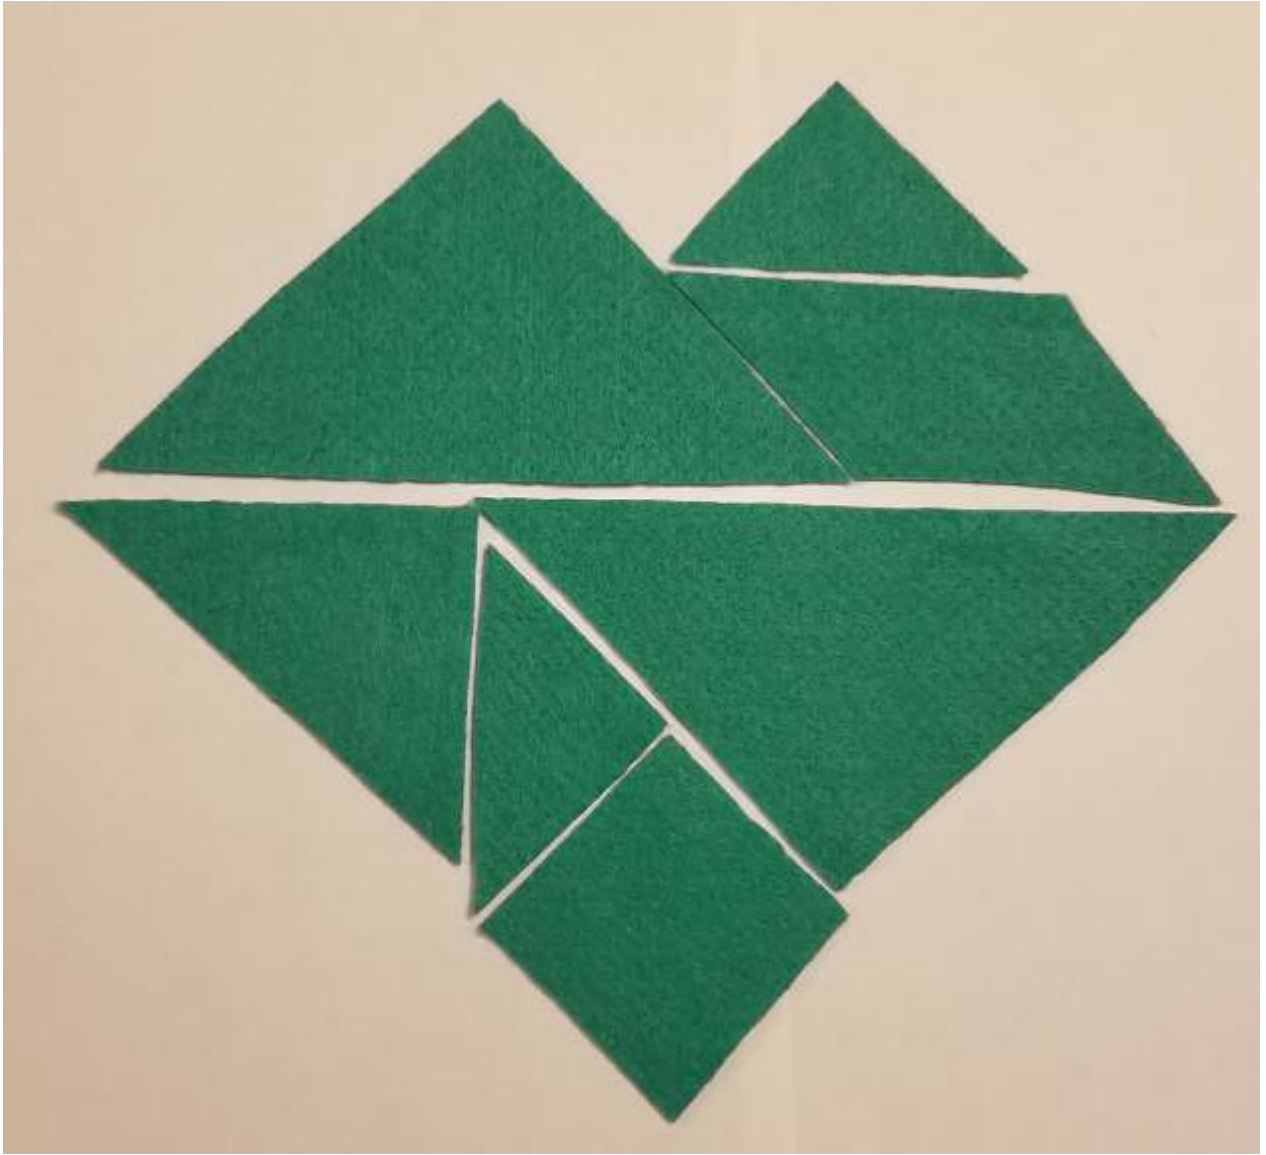

When Leah got to the last arrow, she looked all around her. In front of her was a beautiful lake and a small **boat**. Leah had been on boats many times, and there was no other way across the lake, so she hopped on. As Leah got closer to the shore, she could see a light in the distance.

Once Leah got to shore, she realised, that the light that she was seeing, was from her own home. Once her boat reached land, Leah ran and ran until she got **home**. Leah was so excited to be home that she almost forgot that her mom had been preparing a surprise for her.

As she walked through her front door, Leah's mother was holding a large box in her hands. Leah quickly ran to her and carefully opened it. A small **kitten** poked its head out and climbed onto Leah!

Leah had had such an exciting day and so much fun on her adventure, but she was happy to now be at home. Her heart was bursting with happiness and **love** for her new surprise. It had been a great day!
