

HALLOWEEN SCAVENGER HUNT GAME

1 Let's have a Halloween hunt around the house, where mysteries hide like a quiet mouse. As witches and ghosts come out to play, follow the clues to find your way!

Hunt around, both left and right. Find the first clue in a room where you sleep so deep. By pillows and dreams of spooks in your head. Your next hint's hiding, in a closet, near a bed.

2 Look where you feast on Halloween - go to the room where the pumpkins are.

3 To the place where you relax, take a leisurely stroll. Your next clue is hidden near where you watch a scary show.

4 Check where food is kept for a chilling surprise. Don't forget to close the door, or a ghost might arise!

5 Next beware of surprises, like a ghostly reflection. In the bathroom sink is where you need to start inspecting.

6 Where the pumpkins are, and goblins may meet.

7 Ghosts, goblins, and creatures that go bump in the night. Go check your favorite book, where it's placed in plain sight.

8 Where costumes get cleaned and spooks are stored. In the laundry basket, your next hint is hidden.

9 You're almost done, carefully, you've had lots of fun. Where jackets hang, a cozy site, your next reward on this spooky night.

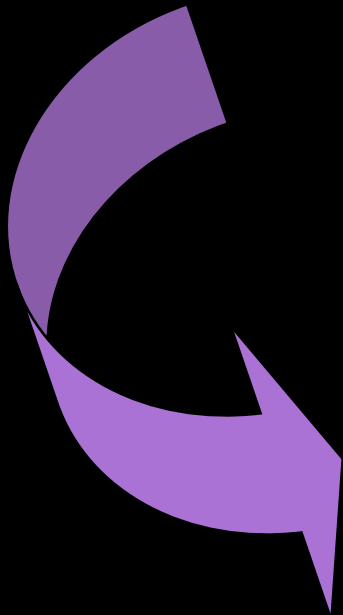

10 All the riddles are done, and you have won!

How to Use the Clue Cards

This scavenger Hunt is described in detail at [Free Printable Halloween Scavenger Hunt](#)

When setting up your activity follow the steps below:

1. Print the scavenger hunt cards. You can choose either color or black and white.
2. Cut each page in half to create 2 clues/cards.
3. The first card is set somewhere players will easily see it or simply give it to players to start the game.
4. Each of the other cards are hidden around the area in a specific location. On the bottom of each card the place the card needs to be hidden is printed (upside down).
5. Hide the cards in each location and you are ready to start the game. Make sure cards are set in a safe place for players and supervise while they do the hunt.
6. Choose a prize or treat to place with the final clue.
7. Once you are fully set up, players follow the clue written on each page. Once they have a guess where each clue is leading them, they go to the location and look for their next clue.
8. Continue through until all the clue cards are found and players are led to the final prize/treat.
9. You can print the final certificate several times to give to each player along with their prize – or the certificate can be the prize!
