There are 4 different initial clues to choose from. Clues range from a birthday escape room or if your escape room is just for fun, there is a generic clue too!

A few of the clues say, "burst your bubble". This clue is shown in the link above and is meant to suggest players to pop the balloon that is in the escape room you can set up to lead to the next clue.

The final "Welcome to Your Escape Room" can be used on an escape room door or printed and posted anywhere you wish.
