# TERMS OF USE

Thank you for downloading! By downloading this this resource, you are agreeing that the contents are the property of **Hands-On Teaching Ideas** and licensed to you only for classroom / personal use as a single user. I retain the copyright, and reserve all rights to this product.

**YOU MAY:**

- ❑ Use free and purchased items for your own personal or classroom use for your students.
- ❑ Reference this product in blog posts, at seminars, professional development, workshops, or other such venues, ONLY if both credit is given to myself as the author, and a link back to my blog at teachingideas.ca.
- ❑ Purchase licenses at a great discount for other people to use this resource.

**YOU MAY NOT:**

- ❑ Claim this work as your own, alter the files in any way, or remove copyright / watermarks.
- ❑ Sell the files or combine them into another unit for sale / free.
- ❑ Post this document for sale / free elsewhere on the internet (this includes Google Doc links on blogs).
- ❑ Making copies of purchased items to share with others is strictly forbidden and is a violation of the TOU / law.

Thank you for abiding by universally accepted codes of professional ethics while using this product. If you encounter an issue with your file, notice an error, or are in any way experiencing a problem, please contact me and I will be more than happy to help sort it out. You can message me at kelly@teachingideas.ca

The puzzle below is a sample clue from the math escape room game. It has been changed slightly so that it can be played on its own.

To play, print the page. Cut out the pieces on the dotted lines and give the three pieces to players. The answer card is not given to players.

If kids enjoy the puzzle, make sure to check out the full game here.

# What Number am I?

Read each of the clues so that the six numbers are in the correct order.

1. The numbers are not in order from least to greatest.
2. No even numbers are beside each other.
3. The 1st number is the lowest number.
4. The 3rd and 5th numbers are even.
5. The 5th number is double the 4th.
6. The 6th number is 1 more than the first.
7. The 3rd number is less than the 5th number.
